

BILATERAL COLLABORATION AGREEMENT  
BETWEEN

GEORGIA TECH CENTER FOR FIBER WIRELESS INTEGRATION AND NETWORKING  
GEORGIA INSTITUTE OF TECHNOLOGY

Atlanta, Georgia, USA

AND

PHOTONICS RESEARCH CENTER  
NATIONAL TSING HUA UNIVERSITY

Hsinchu, Taiwan, Republic of China

To 1) enhance research collaboration, 2) broaden student educational experience and horizons in advanced manufacturing, and 3) continue to promote understanding, goodwill and to strengthen cultural ties, the Georgia Tech Center for Fiber Wireless Integration and Networking, (hereafter referred to as "FIWIN") and the Photonics Research Center at National Tsing Hua University, (hereafter referred to as "PRC") agree to pursue bilateral student exchanges under the guidelines of a Bilateral Student Exchange Agreement between Georgia Institute of Technology and the National Tsing Hua University in August, 2016 (See Appendix). All related activities covered under this Agreement focus on advanced photonics devices and systems, microwave photonics integration, and advanced communications networks.
